

Mission Statement:

"To work with Traveller children in Cork City and surrounding area towards achieving real change in their lives and that of their families and to encourage a sense of belonging. We bring Travellers and Settled people together in solidarity to facilitate community development work within the Traveller community."

Objectives:

- ◆ To value all children as individuals and appreciate their uniqueness
- ◆ We will provide an environment of inclusion where all cultures can be expressed and celebrated
- ◆ To provide a safe and stimulating environment which embraces all children, their values, culture, race, gender and ethnicity.

Curriculum:

At TVG Goras Community Childcare we operate a learning through play programme.

Through play, children learn about their world by observing, exploring and making decisions. Play is also rewarding and fun!! Therefore it reduces the tension which often comes with needing to learn and achieve.

As we cater for children ranging in age from 6 months to 5 years we emphasise lots of stimulation in order to promote all areas of development for each child.

In addition we are

- * Tusla Notified
- * Have qualified, professional and energetic staff
- * Use quality programmes and activities
- * Have an all weather outdoor area
- * Follow Siolta and Aistear in line with good quality practise.
